

Wine, Women and Hormones

MedAesthetics Spa and Wellness

Tired of Being Tired!

Are you tired most of the day, forgetting things, is your sex drive non-existent or are you discovering emotions you didn't know you had? Don't worry relief is on its way! Join us for Wine, Women and Hormones. LaVita Compounding Pharmacy, San Diego's only women owned compounding pharmacy, will be bringing a team of experts to answer your questions about what happens to women as they move through life's milestones. Chris Givant RPh, Dr. Sunnyline Vendiola and Dr. Steven Ross specialize in women's health issues and are national experts in field of balancing hormones and healthy aging. Don't miss this fun and informative night.
